IMPLEMENTATIONS

European 1

1. Wilfried Kneffel; Elisabeth Meik; Georg Prokakis; Tim Heide - Verena von Beckerath; Michael Mussotter - Ulrike Poeverlein. Berlin-Treptow: Commission on another site in Berlin, Alt-Glienicke. 72 units of social housing spread over 9 plots of 8 dwellings shared between five winning teams for Stadt und Land Wohnbauten-Gesellschaft. Project implemented in 1996.
2. Georg Prokakis; Wilfried Kneffel; Elisabeth Meik; Thomas Wiesner - Marete Ahnfeldt-Mollerup. Berlin-Tiergarten, Lehrter Strasse: A corner construction made up of four adjoining buildings. 60 units of social housing, 5 commercial premises and a car park in the context of a collective commission of four winning teams for P+R Baurärgergesellschaft. Project implemented in 1995.
3. Andreas Hild - Tillmann Kaltwasser. Immenstadt: Commission on another site, 14 dwellings for Sozialbau Kempten. Project implemented in 1993.

European 2

1. Dimitry Bush - Alexander Khomiakov; Nathalie de Vries - Jacob van Rijs; Walter Arno Noebel; Christin Kreplin - Hubertus Duwensee. Berlin, Bornholmer Strasse. Social housing scheme split over four plots and shared between four European teams (three winning teams in Berlin and one in Rostock) and two local teams, procedure halted because of real-estate problems.
2. Andrea Melchior - Ulrich Eckey, Kees Sigmond - Hans Sonneveld. Halberstadt. The two winning teams have participated in a workshop with the town and the investor, and completed an urban study. Procedure halted. Andrea Melchior - Ulrich Eckey were invited to a competition on another site.

European 3

No commitment has been made with the prize-winning teams.

European 4

1. Wallie Heinisch - Marcus Lembach. Kempten, Winners. Invitation to compete on another site in Kempten.
2. Annette Paul. Görlitz, Winner. Urban planning studies.
3. Florence Wiel. Zgorzelec, Winner. Urban planning studies.
4. Ariane Gutzmer. Mainz, Winner. Participation in a workshop with the town.

European 5

1. Ralf Freymut - Sylvia Euler; Paul van der Voort - Catherine Visser - Daan Bakke; Christiane Schmidt - Jörg Lammers. Essen. The three prize-winning teams have participated in a workshop with the town and the investors, and completed an urban study. Procedure stopped.
2. Georg Waiblinger - Martin Schenk. Geesthacht, Winners. All winning and preselected teams were invited to compete in a second stage of the competition. The jury awarded two prizes for different areas of the competition site to the winning team of Georg Waiblinger - Martin Schenk and Sandra Denicke - Haewon Shin - Khonsari Torange. First implementations, a bridge, a square at the river side and different projects in the open space, were implemented in 2002, further projects in progress.

3. Klaus Beutler - Martin Ilg. Schwabach, runners-up. The runner-up and two preselected teams have participated in a workshop with the town and the investor, and completed an urban study.
4. Sonja Moers - Thorsten Wagner - Jon Prengel. Guben-Gubin, Winners. Participation in a workshop with the town of Gubin in Poland.

Europan 6

1. Rolf Teloh - Torsten Werner - Marco Hölzl. Augsburg, Winners. Feasibility study completed.
2. Christian Kern - Michael Schneider - Werner Gilles. Ingolstadt, runners-up. Housing project with 47 units, commercial premises and a car park for Gemeinnützige Wohnungsbaugesellschaft Ingolstadt GmbH, implemented in May 2005. Another construction project, next to the competition site, was implemented in 2010, a third construction stage is currently under planning.
3. Florian Krieger - Benjamin Künzel - Urs Löffelhardt - Ariana Sarabia; Andreas Kriege; Holger Kleine. Mönchengladbach. The three prize-winning teams have participated in a workshop with the town and the investors, and completed an urban study.
4. Guntram Jankowski; Markus Günnigmann; Ulrike Tillmann - Susanne Schindler. Nauen. The three prize-winning teams have participated in a workshop with the town and the investors, and completed an urban study.
5. Thomas Straub - Brigitte Tacke. Taufkirchen, Winners. Commission for a feasibility study for the public space.

Europan 7

1. Verena Kyrein - Georg Thiersch - Christoph Hadrys. Augsburg, Winner. Feasibility study completed, procedure in progress.
2. Markus Pfreundtner; Bettina Balcaen - Karin Kohlhaas. Deggendorf. The winning and preselected teams have participated in a workshop with the town and the investors. Commission to elaborate the urban development plan.
3. Beatrice Klein; Anita-Dietl - Peter-Karsten Schultz - Marc-Philip Reichwald; Tanja Werner - Angela Flach - Jochen Felten - Christof Hertel. Halle (Saale): The prize-winning and preselected teams have participated in a workshop with the town and building promoters. Anita Dietl - Peter-Karsten Schultz - Marc-Philip Reichwald, runners-up, were commissioned to elaborate the urban development plan.
4. Florian Krieger. Neu-Ulm, winner. Commission to elaborate an urban and landscape master plan, followed by design contract for three different types of housing blocks, first housing block implemented in 2010.
5. Tobias Hoyer - Hendrik Just - Peter Ille - Ulrich Trappe - Brigitta Ziegenbein; Danijela Pilic - Faraneh Farnoudi - Astrid Schneider - Eva Friedrich. Senftenberg. The winning and runner-up teams have participated in a two-staged workshop with the town. The two teams presented a common project. Procedure in progress.

Europan 8

1. Dagobert Bergmans - Thomas van Arman. Erfurt, Winners. Urban planning studies.
2. Florian Krieger. Gersthofen, Winner. Elaboration of an urban development plan, procedure in progress.
3. Eugenia Vidal - Xavier Ortiz; Christian Hertweck - John Lau; Philippe Mueller - Johannes Feld. Halle (Saale): The winning and runner-up teams have participated in a workshop with the town and the involved housing company.
4. Michael Rudolph - Sigrun Langner. Kleines Dreieck, Winners. Feasibility study completed.
5. Nicolas Reymond, Philipp Krebs, Sebastian Blecher - Raphael Büsing. Leinefelde: The

winning and two honorable mentioned teams have participated in a workshop with the town and the involved housing company.

6. Camillo Hernandez - Sonja Knapp - Nataly Granados; Stephan Gückel - Olaf Hermann; Matthias Foitzik - Michael Herz; Nicole Pflüger. Neu-Ulm: The winning team, the runner-up team and the two honorable mentioned teams have participated in a workshop with the town and the involved housing company. Two teams were selected for further planning of different parts of the competition site, implementation process started in 2009.

European 9

1. Thorsten Erl - Andreas Bartels - Stefan Werrer. Babenhausen, Winners. Elaboration of an urban development plan, procedure in progress.

2. Wolfgang Koelbl; Marine Miroux - Christoph Hager. Berlin. Both winning teams have participated in a workshop with the town.

3. Dominique Dinies - Markus Vogl - Robert Diem - Sandra Schiel - Irina Koerd. Donauwörth. Winners. Elaboration of a feasibility study and an urban master plan. Design contract for an urban square and a mixed-use building combining village hall/kindergarten, under construction. 4. Florian Krieger - Michiko Bach; Timo Heise - Christian Dirumdam - Björn Rolle - Henning Fritsch - Matthias Mumm; Steffen Lukannek - Thomas Schindler - Doreen Schenker - Ferdinand Eichler - Jenny Clasen. Rostock. The prize-winning teams have participated in a two-staged workshop with the town. The Winner was commissioned to elaborate an urban master plan.

5. Julio de la Fuente - Natalia Gutiérrez - Álvaro Martín Fidalgo - Arantxa Ozaeta Cortázar. Selb, Winners. Design contract for a Child Minders Center on the competition site, implemented in 2011. The team was invited to participate in a two-stage workshop to adapt their project for a youth hostel and youth club to another site, implemented in 2013.
