Site Visit

The site visit will take place on Wednesday 2 April.

We will meet at 13:30 on the corner of Hochwachtstrasse and Teufener Strasse.

The nearest bus stop is “Hochwacht”, which has a good connection to the main railway station St. Gallen SBB.

After an introduction to the site and the competition task, you will have some time for an individual tour of the site. We will then meet again for an in-depth discussion of your questions.

The event lasts 1.5 - 2 hours. We strongly advise you to spend more time on and around the perimeter to get a good understanding of the site.

The terrain can be marshy, so please wear appropriate footwear.

We kindly remind you to respect the neighbours and not to trespass on private property.
