**DIGITAL AND PHYSICAL SITE VISIT  
KARLSTAD (SE)  
09/04/2025**

**Site representative(s) present:**

Henrik Sjöberg, City architect  
Per Anders Olsson, Urban planner  
Marie Janäng, Urban planner

**Number of participants:** 5 Digital  
2 Physical

**Information / presentation by site representatives:**

The site visit was a digital and physical event that was held through Zoom. The site representatives were giving detailed information about the site and the challenges relevant for the competition task. The site visit was made by foot with a few stops where the participants got to see various important places on the site. The site representatives had made a map of the tour which the participants got before the site visit. For more detailed information, please see the full presentation:
